Applying for Free School Meals

The way to apply has now been made so much easier, no more looking for official pieces of paperwork. It's so simple to check, even if you're not 100% sure if entitled or not!

Simply scan the QR code and you will be taken directly to a webpage allowing you to complete an online registration form. Paper versions of the form will no longer be available.

If you don't have internet access please access at public facilities such as libraries and community centres.
