Last reviewed: April 2022

Next Review: April 2024

SUMMARY

This policy details Netherthorpe School's strategy for dealing with bullying. The policy describes a prompt response by the school when bullying is alleged to occur, with a thorough investigation and firm action against any student who bullies others. This policy applies to all pupils at the school.

STATEMENT OF INTENT

Netherthorpe School is committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a safe and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. Anyone who knows that bullying is happening is expected to tell the staff.

CONSULTATION

This policy has been written taking into account views of the Leadership Team, Heads of Section, Heads of Department, Staff, Student Voice, Peer Counsellors and Parent Voice.

This policy should be read in conjunction with the following policies: Safeguarding, Behaviour Management, Equal Opportunities, Racial Equality and Inclusion and Special Needs

AIMS

The aims of our Anti – Bullying Policy are:

1. To safeguard all students and staff from bullying
2. To prevent, de-escalate and /or stop any continuation of harmful behaviour
3. To react to bullying incidents in a reasonable, proportionate and consistent way
4. To safeguard our pupils who have experienced bullying.
5. To trigger sources of support for them
6. To apply graded disciplinary sanctions to the pupil(s) causing the bullying and ensure that they learn from the experience, possibly through multi-agency support

OBJECTIVES OF THIS POLICY

1. All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
2. All governors, teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
3. All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
4. As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
5. Parents should understand the correct processes to be followed if they are dissatisfied with the way in which the school deals with an incident, or incidents of bullying

WHAT IS BULLYING?

After consultation with the various groups listed above the school has adopted the following definition of bullying:

‘Behaviour by an individual or group, usually repeated over time that intentionally hurts another individual or group either physically or emotionally’ (DCSF: Safe to Learn – Embedding Anti-Bullying Work in Schools 2007)

Bullying is **not** two people having a disagreement or falling out over something

Bullying can include:

1. Related to race, religion or culture
2. Related to special educational need or disabilities
3. Related to appearance or health conditions
4. Related to young carers or looked after children or related to home circumstances
5. Related to sexual orientation
6. Sexist or sexual bullying
7. Some children may be bullied because these traits and characteristics relate to their parents, carers, siblings, or relatives

Bullying categories:

1. Emotional: name-calling, taunting, mocking, offensive comments or graffiti, gossiping, or rumour mongering,
2. Physical: pushing, kicking, hitting, punching or any use of violence, taking belongings, damage to others’ property
3. Racist: racial taunts, graffiti, gestures
4. Sexual: unwanted physical contact or sexual display or gesture, sexual innuendo or imagery, including that created by text or email
5. Neglect: blanking, ignoring, excluding from groups
6. Cyber Bullying: all areas of the internet, such as email and internet chat rooms misuse. Inappropriate text messages, including offensive or degrading images by mobile phone, or on social networking sites such as Facebook, Twitter etc. Misuse of associated technology, i.e. cameras and video facilities
7. Homophobic: because of, or focussing on the issue of sexuality

WHY IS IT IMPORTANT TO RESPOND TO BULLYING?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving. Schools have a responsibility to respond promptly and effectively to issues of bullying.

However, school cannot police all internet activity that takes place out of school hours. When bullying is affecting progress in school and evidence is provided the school will take appropriate action in liaison with parents and external agencies.

GUIDANCE AND PROCEDURES

All reported allegations of bullying will be recorded and investigated. There are three likely sources of such reports: pupils (victim or otherwise), parents or family members, or staff.

PUPILS (Victims or otherwise)

Students can report the bullying in confidence to:

1. Their form tutor, head of year or any member of staff
2. The Peer Counsellors
3. Their parents, family members or friends

PARENTS

Parents who think their child is being bullied should:

1. Inform the school immediately, and where necessary ask for a meeting with the Head of Section or Pastoral Support Manager.
2. Reassure their child that they have done the right thing in disclosing their worries, they are not the only victims of bullying.
3. Advise them against trying to 'buy off' the bully with money or presents.
4. Don't encourage them to retaliate, it could make matters worse.
5. With the help of the Head of Section/Pastoral Support Manager, analyse the incident(s) and if possible provide supporting evidence – the WHO, WHAT, WHERE and WHEN.
6. Find out what the Head of Section intends to do and the strategies they intend using to support your child.
7. Monitor the situation.
8. Should the bullying recur contact the Head of Section, who may well now involve the Deputy Headteacher.
9. Allow them to apply the school policy but monitor the situation.
10. If you are not completely happy with the way the things have been handled invoke the school's Complaints procedure.

STAFF

Staff should:

1. When anyone reports bullying arrange a time to listen to their concerns as soon as possible, remember anxiety about possibly being bullied can be as bad as actual bullying.
2. Record the incident in writing (Appendix 1 – Reporting Prejudice – Based Incidents and Bullying Form)
3. Consult the Head of Section to arrange for witness statements to be obtained
4. Tell the pupil that you will inform their form tutor/Head of Year and action will be taken when the person has been seen.
5. Pass any information to either the form tutor/Head of Section/Pastoral Support Manager.

NB: If the bullying could constitute a child protection issue then report this to Mrs Connolley or Mrs McVicar with written information immediately.

FORM TUTOR or PASTORAL SUPPORT MANAGER

1. If information is passed from another colleague then see the student as soon as possible
2. Discuss ways of dealing with the bullying
3. Take action unless in your professional judgement the issue is one for the Head of Section e.g. you do not know the bully.
4. Report in writing any action taken or any referral to the Head of Section.

HEAD OF SECTION

1. If a pupil reports bullying follow the above procedures
2. If a colleague reports bullying decide on the action to be taken
3. When dealing with a bully depending on the severity if the situation consider the following:
4.
 - First incident: issue a warning
 - Second incident: inform parents/issue sanction
 - Third incident: isolate in the isolation room and inform parents
 - Further incidents: refer to Deputy Headteacher
5. In serious cases inform parents and ask them to come in to a meeting to discuss the issues.
6. If necessary and appropriate notify the police.
7. If necessary organise support to help the perpetrator (s) change their behaviour.
8. Arrange follow up work with the victim, in extreme cases they might need counselling or other specialist help

OUTCOMES

The perpetrator (s) will be punished. It is important for the target (s) on the receiving end to see that this has resulted. Punishments given will range from:

1. The perpetrator (s) may be asked to genuinely apologise (written or verbal)
2. Other consequences may take place e.g. referral of the victim or the bully to Peer Counsellors, Positive Support, Pastoral Support Manager
3. The bully (bullies) may be placed on report to monitor their behaviour
4. In serious cases suspension will be considered
5. If possible, the pupils will be reconciled
6. After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.
7. Incidents will be logged on the schools Safeguarding Software and data on bullying incidents will be reported to the governors annually
8. These records will be used to assess the effectiveness of this policy, the progress of offenders and the training needs of the staff

The Head of Section or member of staff dealing with the incident will discuss the bullying with the perpetrator (s) to help them to realise the effects of their actions and reduce the likelihood of them re-offending. The perpetrator (s) could be referred for more specialist support if needed.

MONITORING, EVALUATION AND POLICY REVIEW

The leadership group and staff with responsibility for this policy will continually monitor this policy and report any concerns about its operation to the Headteacher.

A copy of this policy is available to parents and carers on the school's website or from the school office
