### 1 INTRODUCTION AND CONTEXT

#### 1.1 Our School and its vision and ethos

Netherthorpe School is a caring, supportive school where we want every student that attends to Learn, Enjoy and Succeed. In order to do that students need to feel safe and secure in their environment and know who they can turn to if they need support. Netherthorpe School is responsible for providing Early Help to parents and students and as such has a team of staff who lead the Early Help service offered.

#### 1.2 Our responsibilities

Netherthorpe School fully recognises its responsibilities for Child Protection and Safeguarding, this Policy sets out how the Schools within the Trust will fulfil these responsibilities. This is an overarching policy.

Child as written in this policy is of statutory school age.

This policy should be read in conjunction with:

**Working Together to Safeguard Children (July 2018)** which is statutory guidance to be read and followed by all those providing services for children and families, including those in education. The guidance is available via the following link: <http://www.workingtogetheronline.co.uk/index.html>

**Keeping Children Safe in Education (September 2018)**, which is the statutory guidance for Schools and Colleges.

Furthermore, we will follow the procedures set out by the **Derbyshire Safeguarding Children's Board**: <http://derbyshirescbs.proceduresonline.com/index.htm>

In accordance with the above procedures, we carry out an annual audit of Safeguarding provision (S175 Safeguarding Audit, which is a requirement of the Education Act 2002 & 2006) a copy of which is sent to the Local Derbyshire safeguarding Childrens Board.

### **1.3 Our Principles**

Safeguarding arrangements within the Netherthorpe School are underpinned by three key principles:

- 1) Safeguarding is everyone's responsibility: all Staff, Governors and Volunteers should play their full part in keeping children safe.
- 2) We will aim to protect children using national, local and school child protection procedures;
- 3) We aim to work in partnership and have an important role in multi-agency safeguarding arrangements as set out by Working Together 2018
- 4) Netherthorpe School operates a child-centred approach: a clear understanding of the needs, wishes, views and voices of children.
- 5) That all Staff, Governors and Volunteers have a clear understanding regarding abuse and neglect in all forms; including how to identify, respond and report. This also includes knowledge of the process in dealing with allegations against professionals. Staff, Governors and Volunteers should feel confident that they can report all matters of safeguarding children in the School where the information will be dealt with swiftly and securely, following the correct procedures with the safety and wellbeing of the children in mind at all times.

## **1.4 Our Policy**

There are 6 main elements to our Policy, which are described in the following sections:

- 1) The types of abuse that are covered by the policy;
- 2) The signs of abuse that Staff, Governors and Volunteers should look out for;
- 3) How to report a concern, who to go to within school/college; including how/who to report to at the relevant agencies;
- 4) Roles and responsibilities for Safeguarding;
- 5) Expectations of Staff, Governors and Volunteers with regard to Safeguarding, and the procedures and processes that should be followed, including the support provided to children;
- 6) How Netherthorpe School will ensure that all Staff, Governors and Volunteers are appropriately trained; this includes, receiving regular updates and undertaking annual whole school training in safeguarding, and are checked for their suitability to work within the School;
- 7) How the policy will be managed and have its delivery overseen.

Through implementation of this policy we will ensure that Netherthorpe School provides a safe environment for children to learn and develop. We will regularly cross reference with other policies relevant to safeguarding procedures and make reference to them in this policy where relevant.

## **2 TYPES OF ABUSE**

### **2.1 Children who may require early help**

Staff and Volunteers working within the School should be alert to the potential need for early help for children, considering following the procedures identified for initiating early help using the Thresholds Document for a child who:

- a) Is disabled and has specific additional needs.
- b) Has special educational needs.
- c) Is a young carer.
- d) Is a privately fostered child;
- e) Has returned home to their family from care;
- f) Is showing signs of engaging in anti-social or criminal behaviour;
- g) Is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health, domestic violence; and/or
- h) Is showing early signs of abuse and/or neglect.

- i) Is showing signs of displaying behaviour or views that are considered to be extreme
- j) Is misusing drugs or alcohol themselves:
- k) Not attending school or are at risk of exclusion from school
- l) Frequently going missing/goes missing from care or from home;
- m) Is at risk of modern slavery, trafficking, exploitation, radicalised;
- n) Not in education, training or employment after the age of 16 (NEET);

These children are therefore more vulnerable; Netherthorpe School will identify who their vulnerable children are, ensuring Staff and Volunteers know the processes to secure advice, help and support where needed.

## 2.2 Child Abuse

In relation to children safeguarding and promoting their welfare is defined as;

- Protecting children from maltreatment
- Preventing impairment of children's' health or development
- Ensuring that children are growing up in circumstances consistent with the provision of safe and effective care
- Taking action to enable all children to have the best outcomes

There are four types of child abuse as defined in 'Working Together to Safeguard Children' (2018) which is defined in the 'Keeping Children Safe in Education Statutory Guidance 2018' as:

- 1) **Physical Abuse** - may involve hitting, shaking, throwing, poisoning, burning/scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
- 2) **Emotional Abuse** - is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the

exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

- 3) **Sexual Abuse** involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact or non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males; women can also commit acts of sexual abuse, as can other children.
- 4) **Neglect** is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. It may include a failure to:
  - a) Provide adequate food, clothing and shelter.
  - b) Protect a child from physical and emotional harm or danger.
  - c) Ensure adequate supervision (including the use of inadequate care-givers); or
  - d) Ensure access to appropriate medical care or treatment.
  - e) Respond to a child's basic emotional needs

**Bullying** and forms of bullying on and off line including prejudice based and Cyber Bullying is also abusive which will include at least one, if not two, three or all four, of the defined categories of abuse [see **Netherthorpe School Anti Bullying Policy**].

### **2.3. Specific Safeguarding Issues**

There are specific issues that have become critical issues (highlighted are current key concerns in Derbyshire and nationally) in Safeguarding that Schools and Colleges will endeavour to ensure their Staff, Governors and Volunteers are familiar with; having processes in place to identify, report, monitor and which are included within teaching:

- Bullying including cyber bullying
- Child Sexual Exploitation (CSE) and as defined by Working Together 2018
- Domestic Violence
- Drugs
- Fabricated or induced illness
- Faith abuse
- Female Genital Mutilation (FGM)
- Forced Marriage
- Gangs and Youth Violence

- Gender based violence/Violence against women and girls (VAWG)
- Hate
- Mental Health
- Private Fostering
- Preventing Radicalisation
- Online abuse/Sexting
- Teenage Relationship abuse
- Trafficking
- Missing children and vulnerable adults
- Child sexual abuse within the family
- Poor parenting, particularly in relation to babies and young children

Broad government guidance on the issues listed above can be accessed via the <https://www.gov.uk/government/organisations/department-for-education> and local procedures and strategies are available through [www.derbyshirescb.org.uk](http://www.derbyshirescb.org.uk)

### **3 SIGNS OF ABUSE**

#### **3.1 Physical Abuse**

Most children will collect cuts and bruises and injuries, and these should always be interpreted in the context of the child's medical / social history, developmental stage and the explanation given. Most accidental bruises are seen over bony parts of the body, e.g. elbows, knees, shins, and are often on the front of the body. Some children, however, will have bruising that is more than likely inflicted rather than accidental.

Important indicators of physical abuse are bruises or injuries that are either unexplained or inconsistent with the explanation given; these can often be visible on the 'soft' parts of the body where accidental injuries are unlikely, e.g. cheeks, abdomen, back and buttocks. A delay in seeking medical treatment when it is obviously necessary is also a cause for concern.

The physical signs of abuse may include:

- a) Unexplained bruising, marks or injuries on any part of the body.
- b) Multiple bruises- in clusters, often on the upper arm, outside of the thigh.
- c) Cigarette burns.
- d) Human bite marks.
- e) Broken bones.
- f) Scalds, with upward splash marks.
- g) Multiple burns with a clearly demarcated edge.

Changes in behaviour that can also indicate physical abuse:

- a) Fear of parents being approached for an explanation.
- b) Aggressive behaviour or severe temper outbursts.
- c) Flinching when approached or touched.
- d) Reluctance to get changed, for example in hot weather.
- e) Depression.
- f) Withdrawn behaviour.
- g) Running away from home.

### **3.2 Emotional Abuse**

Emotional abuse can be difficult to identify as there are often no outward physical signs. Indications may be a developmental delay due to a failure to thrive and grow, however, children who appear well-cared for may nevertheless be emotionally abused by being taunted, put down or belittled. They may receive little or no love, affection or attention from their parents or carers. Emotional abuse can also take the form of children not being allowed to mix or play with other children.

Changes in behaviour which can indicate emotional abuse include:

- a) Neurotic behaviour e.g. sulking, hair twisting, rocking.
- b) Being unable to play.
- c) Fear of making mistakes.
- d) Sudden speech disorders.
- e) Self-harm.
- f) Fear of parent being approached regarding their behaviour.
- g) Developmental delay in terms of emotional progress.

### **3.3 Sexual Abuse**

It is recognised that there is underreporting of sexual abuse within the family. School staff and volunteers should play a crucial role in identifying / reporting any concerns that they may have through, for example, the observation and play of younger children and understanding the indicators of behaviour in older children which may be underlining of such abuse.

All Staff and Volunteers should be aware that adults, who may be men, women or other children, who use children to meet their own sexual needs abuse both girls and boys of all ages. Indications of sexual abuse may be physical or from the child's behaviour. In all cases, children who tell about sexual abuse do so because they want it to stop. It is important, therefore, that they are listened to and taken seriously.

The physical signs of sexual abuse may include:

- a) Pain or itching in the genital area.
- b) Bruising or bleeding near genital area.
- c) Sexually transmitted disease.
- d) Vaginal discharge or infection.
- e) Stomach pains.
- f) Discomfort when walking or sitting down.
- g) Pregnancy.

Changes in behaviour which can also indicate sexual abuse include:

- a) Sudden or unexplained changes in behaviour e.g. becoming aggressive or withdrawn.
- b) Fear of being left with a specific person or group of people.
- c) Having nightmares.
- d) Running away from home.
- e) Sexual knowledge which is beyond their age, or developmental level.
- f) Sexual drawings or language.
- g) Bedwetting.
- h) Eating problems such as overeating or anorexia.
- i) Self-harm or mutilation, sometimes leading to suicide attempts.
- j) Saying they have secrets they cannot tell anyone about.
- k) Substance or drug abuse.
- l) Suddenly having unexplained sources of money.
- m) Not allowed to have friends (particularly in adolescence).
- n) Acting in a sexually explicit way towards adults.

### **3.4 Neglect**

It can be difficult to recognise neglect, however its effects can be long term and damaging for children.

The physical signs of neglect may include:

- a) Being constantly dirty or 'smelly'.
- b) Constant hunger, sometimes stealing food from other children.
- c) Losing weight, or being constantly underweight.
- d) Inappropriate or dirty clothing.

Neglect may be indicated by changes in behaviour which may include:

- a) Mentioning being left alone or unsupervised.
- b) Not having many friends.
- c) Complaining of being tired all the time.
- d) Not requesting medical assistance and/or failing to attend appointments.

### **3.5 Specific Safeguarding Issues**

In understanding the signs and indicators of specific issues listed earlier in this policy, Netherthorpe School will incorporate the signs of abuse and specific safeguarding issues into briefings, staff induction training, and ongoing development training for all staff including governors and volunteers. Broad government guidance can be accessed via the <https://www.gov.uk/government/organisations/department-for-education> and more importantly access local procedures, strategies and tools through [www.derbyshirescb.org.uk](http://www.derbyshirescb.org.uk) .

The Designated Leads and those with responsibility for safeguarding will use the information available to them in Derbyshire Schools Bet Keeping Children Safe in Education to help all staff develop the knowledge and understanding pertaining to national and local emerging concerns.

### **3.6 Prevent Duties**

Netherthorpe School will ensure all staff including governors and volunteers adhere to their duties in the Prevent guidance 2015 to prevent radicalisation. The Headteacher and Chairs of the LGB will:

- Establish or use existing mechanisms for understanding the risk of extremism
- Ensure staff understand the risk and build capabilities to deal with it
- Communicate the importance of the duty
- Ensure staff implement the duty

The School will respond to any concern about Prevent as a Safeguarding concern and will report in the usual way using local Safeguarding Procedures. We will seek to work in partnership with external authorities, undertaking risk assessments where appropriate and proportionate to risk, to build our children's resilience to radicalisation. We will make referrals into CHANNEL where the risk is identified and the student may need de radicalisation.

The School is committed to providing effective filtering systems and monitoring systems and this will include monitoring the activities of children when on-line in the school and actions taken relevant to the activity.

The School will use the relevant forms or online safeguarding software system to record any concerns, keeping records which will be treated as a Child Protection Record and storing them as appropriate. See Appendix C for the child protection report form. All concerns should be logged on the Safeguard Software system – see Appendix B for instructions on how to do this.

### **3.7 Child Sexual Exploitation (Child Protection)**

Risk factors may include;

- Going missing
- Engagement in offending
- Disengagement from education
- Using drugs or alcohol
- Unexplained gifts/money
- Repeat concerns about sexual health
- Decline in emotional wellbeing

All suspected or actual cases of CSE are a Safeguarding concern in which Child Protection procedures will be followed; this will include a referral to the police. If any staff are concerned about a pupil, they will refer to the Safeguarding Designated Lead/s within the School.

### **3.8 Female Genital Mutilation (Child Protection)**

The School recognises and understands that there is now a mandatory reporting duty for all teachers to report to the police where it is believed an act of FGM has been carried out on a girl under 18 in the UK. Failure to do so may result in disciplinary action being taken.

All suspected or actual cases of FGM are a Safeguarding concern in which Safeguarding procedures will be followed; this will include a referral to the police. If any staff are concerned about a pupil, they will refer to the Safeguarding Designated Lead/s within the School unless there is a good reason not to do so.

Signs may include;

- Days absent from school
- Not participating in Physical Education
- In pain/has restricted movement/frequent and long visits to the toilet/broken limbs
- Confides that she is having a special procedure, cut or celebration
- Unauthorised and or extended leave, vague explanations or plans for removal of a female in a high risk category\* especially over the summer period
- Plans to take a holiday which may be unauthorised, unexplained or extended in a country known to practice FGM

*\*parents from a country who are known to practice FGM*

### **3.9 Allegations of abuse against other children/Peer on Peer abuse (Child Protection)**

We recognise that some children abuse other children or their peers; therefore, the reasons for this are complex and are often multi-faceted. We understand that we need as a school to have clear mechanisms and procedures in place to identify and report incidents or concerns. We aim to reduce this behaviour and any related incidents with an expectation to eliminate this conduct in the school. Peer on peer abuse is a Safeguarding concern and will require a discussion with the DSL who will seek advice from agencies and professionals including reference to the Safeguarding procedures as outlined by the local authority. This may mean a referral into the Police and Social Care. The School will consider and may apply the disciplinary policy. The School will offer support to a victim. We recognise peer on peer abuse can take some of these forms;

- Language seen as derogatory, demeaning, inflammatory;
- Unwanted banter;
- Sexual harassment;
- Sexual Violence
- Hate;
- Homophobia;
- Based on gender differences and orientation;
- Based on difference.

We will pay adherence to the guidance- Sexual Violence and Sexual Harassment in Schools/Colleges between children (December 2017) and have a strategy in the school to identify, report and respond to any issues/incidents raised. We aim to challenge this type of abuse. We also aim to use approaches in the curriculum to address and tackle peer on peer abuse.  
(See the Equality and Diversity Objectives)

### **3.10 The sending of indecent images from one person to another through Digital Media Devices**

The School accepts that this is a Safeguarding concern and one that is increasing which requires a robust response. We will seek advice from agencies and professionals acknowledging that there are both national and local guidance that we need to adhere to in order to tackle the concerns and work in partnership with our agencies.

We will refer to:

[Derby City & Derbyshire Thresholds Document](#)

["Sexting in Schools & Colleges: Responding to incidents & safeguarding young people" UK Council for child internet safety](#)

[The DfE guidance 2018 on Searching Screening and Confiscation Advice for Schools](#)

### **3.11 The criminal exploitation of children: County Lines**

Signs which may indicate criminal exploitation:

- Persistently going missing from school or home and / or being found out-of-area;
- Unexplained acquisition of money, clothes, or mobile phones
- Excessive receipt of texts /phone calls
- Relationships with controlling /older individuals or groups
- Leaving home / care without explanation
- Suspicion of physical assault /unexplained injuries
- Parental concerns
- Carrying weapons
- Significant decline in school results / performance
- Gang association or isolation from peers or social networks
- Self-harm or significant changes in emotional well-being

Criminal exploitation of children is a Safeguarding concern and will require a discussion with the Designated Safeguarding Lead who will seek advice from agencies and professionals; including, reference to the Safeguarding procedures as outlined by the local authority. This will mean a referral into the Police and Social Care. The school/college will offer support to a victim.

#### **3.11 Carrying knives/offensive Weapons & Gang Culture**

Bringing and carrying a knife/offensive weapon onto school premises is a criminal offence and immediate action will be taken by calling the police and informing the informed. The guidance on Searching, Screening and Confiscation for Head teachers, schools and Governors, January 2018 will be consulted and the school will consider and may apply the disciplinary procedure.

If a member of staff suspects a pupil/student being involved in gang culture, this is a safeguarding concern and will require a discussion with the DSL who will seek advice from agencies and professionals including reference to the Safeguarding procedures as outlined by the local authority. The student may be an exploited child and victim to which the school will offer support.

**4.2 All Staff / anyone who has contact with a child or young person including Governors and volunteers have responsibility for the following:**

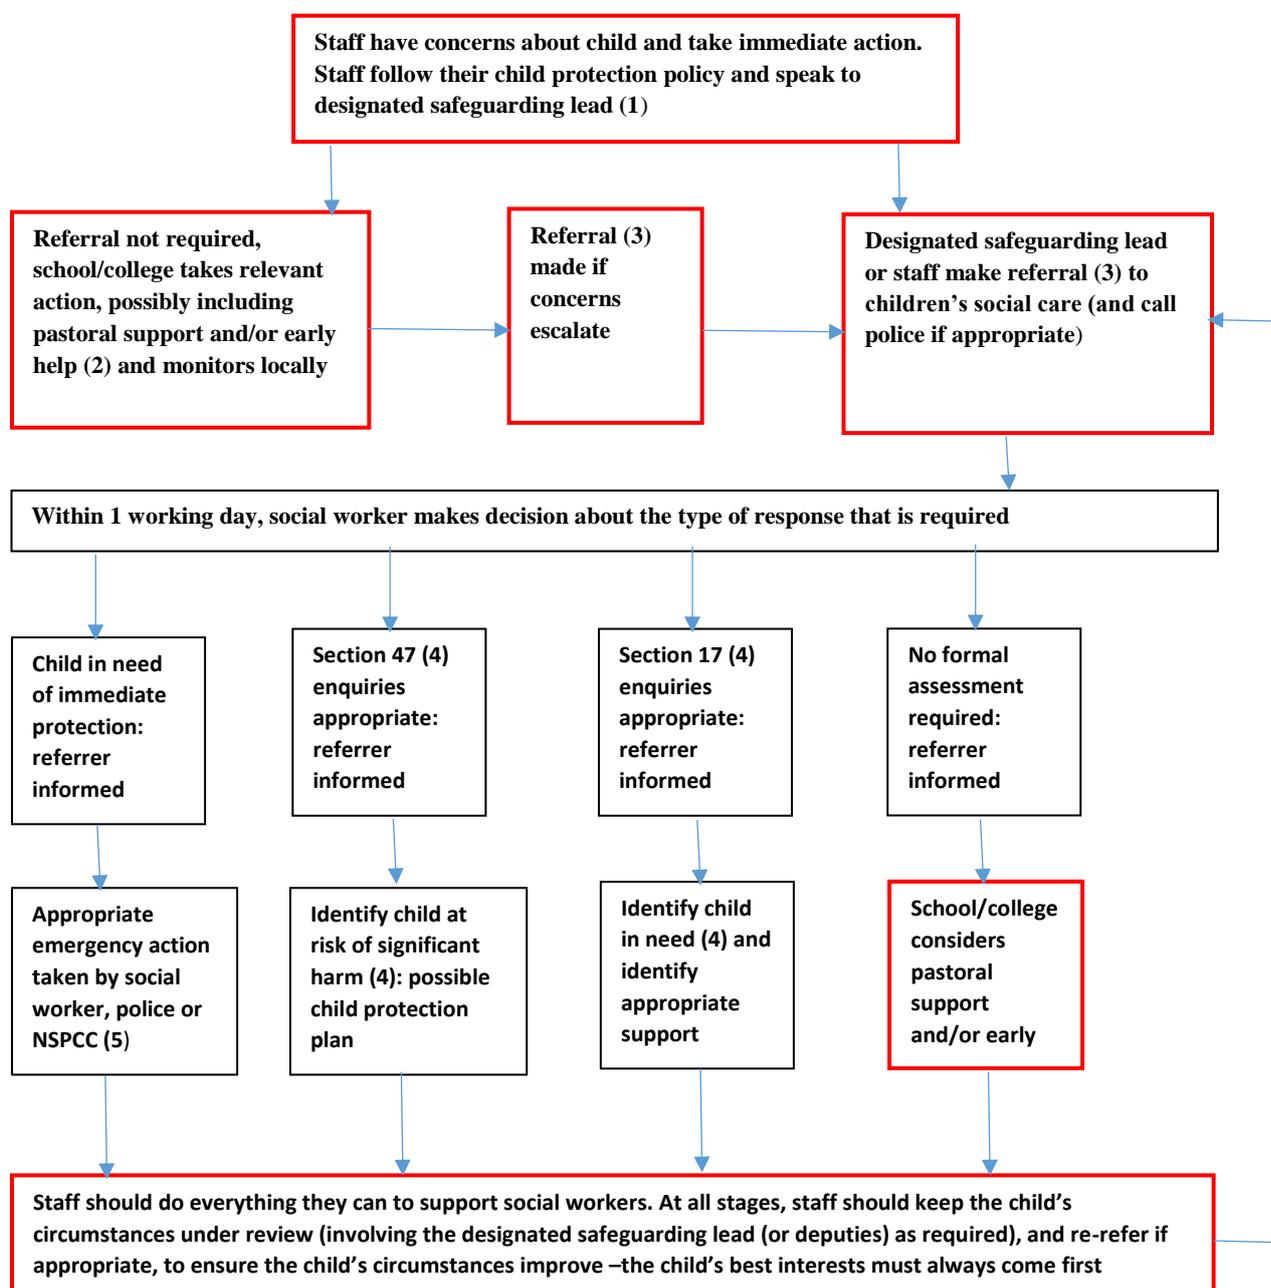

- To share and report a concern, know how to do this and who to and record where appropriate in the role:

## Actions where there are concerns about a child

Key:

School/college action

Other agency

(1) In cases which also involve a concern or an allegation of abuse against a staff member, see Part four of KCSIE 2018.

(2) Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of Working Together to Safeguard Children provides detailed guidance on the early help process.

(3) Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of Working Together to Safeguard Children.

(4) Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter one of Working Together to Safeguard Children.

(5) This could include applying for an Emergency Protection Order (EPO).

#### **4.3 The Governors and School Leadership are responsible for:**

- 1) Taking leadership responsibility for the school's safeguarding and child protection arrangements;
- 2) Ensure there are robust safer recruitment procedures and a framework of checks, tracking and monitoring;
- 3) That they are up to date with emerging issues in safeguarding and know about strategies by the Local Authority in trying to keep children safe In Derbyshire;
- 4) Ensuring that we have a nominated link Governor for Child Protection and Safeguarding who can also provide a link to the Local Authority on matters of Safeguarding in their School and are in liaison with other partners and agencies;
- 5) Ensuring that we have a lead DSL(s) for Child Protection, appointed from the Senior Management Team and one who oversees and line manages the activities and the activities of all other leads in the school. The number of DSL's needs to be sufficient in number depending upon the size and demands of the school. That the DSL's are fully equipped to undertake the Safeguarding role and that they have access to the appropriate training and that has updates at least annually and with certified training very two years.
- 6) That a Designated Safeguarding Lead is on the premises and available at all times during the school day and there is a contact for school holiday activities on site; where this is not available or in exceptional circumstances, there is cover in place. The leadership team will ensure there is cover at all times and there is a clear pathway for raising and reporting concerns in a timely way. This will include a DSL being a point of contact for trips, outings and residential visits;

**5 Safeguarding Processes and Procedures**

The School will deliver its responsibilities for identifying and acting on early help needs, Safeguarding and Child Protection in line with the policies and procedures identified in the Derbyshire Safeguarding Children’s Board policies and procedures guidance, available at:

<http://derbyshirescbs.proceduresonline.com/index.htm>

The Threshold Document is available and assists with meeting a child’s needs in Derbyshire and can be found in the Derbyshire & Derby City Safeguarding Board Procedures. This document should be used to help identify the level of concern and next course of action.

**5.1 Early Help**

All Staff / anyone who has contact with a child or young person including Governors and volunteers are made aware of what Early Help means, how to identify emerging needs and understanding their role within it. This means sharing information and having discussions with the Designated Safeguarding Lead, liaising with other professionals and supporting children identified in the school (i.e. potentially vulnerable and those who are vulnerable) who may therefore need Early Help intervention.

The provision of early help services should form part of a continuum of help and support to respond to the different levels of need of individual children and families – for more information School Staff and Volunteers can refer to Netherthorpe’s ‘Early Help Offer’ on the school website.

Starting Point is Derbyshire's first point of contact and referral service for Children; including advice, support and next steps. This includes a professional's advice line and this is available for the Designated Safeguarding Lead to use. This is a service open Mon – Fri 8am – 6pm, Contact Tel No. 01629 533190 and you will be advised to follow your referral with an electronic form made available on [www.derbyshire.gov.uk/startingpoint](http://www.derbyshire.gov.uk/startingpoint).

When calls are received they are screened, and advice is given around the next steps to take. All contacts will be passed to a Senior Practitioner if the child is thought to have additional or complex needs.

The Senior Practitioner will, within 24 hours, decide which service within Children's Social Care is best placed to meet that child's needs and the information will be passed to either the Schools Early Help Team or Children's Social Care for assessment.

The school will follow the referral process for all Early Help requests by using an electronic form made available from the Pastoral Support Managers in school and submitted to the Early Help lead.

## **5.2 Referring to Children's Social Care**

Netherthorpe School will ensure all Staff / anyone who has contact with a child or young person including Governors and volunteers that if any have concerns about the welfare and safety of a child, discussions take place with the Designated Safeguarding Lead as soon as they are aware or know about a concern and the Designated Safeguarding Lead reports that concern as soon as possible. The Designated Safeguarding Lead will act upon the information received; however, we also recognise any one can make a referral into social care.

Where welfare and safeguarding concerns are identified e.g. as a child having an injury or has made a disclosure of sexual abuse, this is a child protection concern and safeguarding procedures must be followed. A **telephone referral** must be made to Starting Point Derbyshire's first point of contact for children and young adults for referral into Children's Social Care.

If the child has been the subject of an Early Help Assessment then a chronology, a copy of the assessment, together with a copy of the Multi-Disciplinary Plan, and any supporting document evidence to support a threshold should be attached to the written confirmation. If the professional does not have a copy, reference to the completed Early Help Assessment should be made in the written confirmation. Details within the reference should include: who undertook the Assessment, and their contact details if known. For Starting Point to provide feedback an e mail contact must be provided and name of the person nominated in school to receive that feedback.

When a member of Staff, volunteer, parent, practitioner, or another person has concerns for a child, and if the school are aware that the case is open to the Early Help Team they should discuss with the Allocated Worker or their manager to request escalation to Children's Social Care. If the child does not at that time have a lead professional or allocated Social Worker the school should contact Starting Point.

Schools should ensure they have spoken to the family about their concerns and proposed actions unless to do so would place the child at significant risk (imminent danger because of a disclosure made); the decision not to inform parents/carers must be justified and the details recorded. If a child makes a disclosure or presents with an injury it is imperative that advice is sought immediately **prior to the child returning home and as soon as the school become aware of this.**

Essential information for making a referral includes:

- 1) Full names and dates of birth for the child and other members of the family.
- 2) Address and daytime phone numbers for the parents, including mobile.
- 3) The child's address and phone number.
- 4) Whereabouts of the child (and siblings).
- 5) Child and family's ethnic origin.
- 6) Child and family's main language.
- 7) Actions taken and people contacted.
- 8) Special needs of the child, including need for an accredited interpreter, accredited sign language interpreter or other language support.
- 9) A clear indication of the family's knowledge of the referral and whether they have consented to the sharing of confidential information;
- 10) The details of the person making the referral.

Other information that may be essential:

- 1) Addresses of wider family members;
- 2) Previous addresses of the family;
- 3) Schools and nurseries attended by the child and others in the household;
- 4) Name, address & phone number of GP/Midwife/Health Visitor/School Nurse;
- 5) Hospital ward/consultant/Named nurse and dates of admission/discharge;
- 6) Details of other children who may be in contact with the alleged abuser;
- 7) Details of other practitioners involved with the family;
- 8) Child's legal status and anyone not already mentioned who has parental responsibility;
- 9) History of previous concerns and any previous CAF or Initial Assessments completed;
- 10) Any other information that is likely to impact on the undertaking of an assessment or Section 47 Enquiry.

Where there is a difference of professional opinion Schools / colleges are able to escalate their concerns using the [Derby City & Derbyshire Escalation Policy](#) available on the Derbyshire Safeguarding Board's website.

### **5.3 Records**

All concerns about a child will be recorded and records kept. This record will be a separate child protection/welfare record held on a separate child protection file and each concern clearly recorded with all decisions, actions taken and with outcomes and feedback to the referrer. We will endeavour to keep centralised records, hold them as private and confidential records but allow access to key staff that is designated in a role to safeguard children at the school/college.

We will follow the Local Authorities' current guidance on the Child Protection Record Keeping Guidance for Schools (incl Transfer, Storage & Retention - July 2017) and await any instruction with regard to the National Inquiry into Child Sexual Abuse (historical Child Protection records on children and records on staff where there are allegations). We will therefore not destroy any child protection/welfare records including records which hold information on allegations against staff and any other person working in the school or connected to the school.

### **5.4 Recruitment of staff and Volunteers**

Netherthorpe School will ensure that Safer Recruitment practices are always followed and that the requirements outlined in the 'Keeping Children safe in Education' and any supporting DBS documentation are followed in all cases.

All interview panels will have at least one member who has undergone Safer Recruitment Training with the necessary skills and knowledge. We will in all cases for example check on;

- the identity of candidates;
- a check of professional qualifications;
- the right to work in the UK;
- make overseas checks where relevant;
- ask for and follow up at least two references;
- scrutinise applications for gaps in employment.
- Include at least two questions regarding safeguarding

We will have a Single Central Record which will cover all Staff who work in the School, including Governors and volunteers, frequent visitors agency and supply, and others according to their role and responsibility. We will ensure this record is regularly reviewed and updated in line with National and Local requirements.

This will also cover all members of the proprietor body.

We will ensure that all Staff/ anyone who has contact with a child or young person including Governors and volunteers are aware of Government Guidance on Safer Recruitment and Safer Working Practices and that the recommendations are followed.

We will ensure there is a Staff Code of Conduct, ensuring all Staff/ anyone who has contact with a child or young person, including Governors and Volunteers, are familiar with Safer Working Practices.

This also includes advice on conduct, safe use of mobile phones and guidance on personal / professional boundaries in emailing, messaging, or participating in social networking environments.

We will ensure that Safeguarding considerations are at the centre of each stage of the recruitment process and if in any doubt will seek further HR and or legal advice.

### **The Disclosure and Barring Service (DBS);**

The Disclosure and Barring Service (DBS) helps employers make Safer Recruitment decisions which helps preventing unsuitable people from working with vulnerable groups, including children.

The DBS are responsible for:

- 1) Processing requests for criminal records checks
- 2) Deciding whether it is appropriate for a person to be placed on or removed from a barred list
- 3) Placing or removing people from the DBS Children's Barred list and Adults' Barred list for England, Wales and Northern Ireland
- 4) Providing an online DBS service

The DBS search police records and in relevant cases, the barred list information, before issuing a DBS certificate to the applicant.

**A DBS check will be requested as part of the pre-recruitment checks following an offer of employment, including unsupervised volunteering roles, and staff engaging in regulated activity, where the definition of regulated activity is met.**

We will have a clear understanding of what regulated activity is and implications for volunteers in the school. This may mean undertaking risk assessments on any activity.

We will follow advice on DBS checks as detailed by this guidance and this will include;

- Where relevant a separate Barred Check List has been completed;
- That individuals are not disqualified from working with children under the Child Care (Disqualification) Regulations 2009 and will adhere to any changes made to this;
- A check to include a Secretary of State Prohibition Order (Teacher Prohibition Order) and this may mean on Teaching Assistants;
- A Section 28 Direction Check where relevant, which prohibits or restricts a person from taking part in any management of an Independent school, including Academy or Free school.

The School will follow advice on DBS checks as detailed by: Schools LID/Shared Services Centre/HR updates.

The School will have a procedure for and can apply if relevant the Disqualification by Association rules and that of State Probation Orders.

## 5.5 Dealing with allegations against staff and volunteers who work with children

The School will adhere to the procedures set out under 'Allegations Made Against Professionals' (allegations of abuse by teachers and other staff), this can be found via the following link: [www.derbyshirescb.org.uk](http://www.derbyshirescb.org.uk). (Section 2 of the procedures)

If a member of staff has concerns about another member of staff, then this will be referred to the Head teacher. Where there are concerns about the Head teacher this will be referred to the Chair of Governors. We will ensure that all allegations are discussed with the Local Authority Designated Lead (LADO) in every case using the [Derby and Derbyshire LADO referral form](#) and this is done by an appropriate member of the Senior Management Team.

A copy of the LADO flowchart is displayed in all staffrooms and can be requested from the DSL, Mrs N Connolley [n.connolley@netherthorpe.derbyshire.sch.uk](mailto:n.connolley@netherthorpe.derbyshire.sch.uk)

Netherthorpe School will ensure we have followed all the necessary duties and processes under this process and Whistle Blowing and this will be done in accordance with guidance's:

Where there are allegations that are substantiated, Netherthorpe school will fully ensure any specific actions are undertaken on management and exit arrangements as outlined in the

### Learning from Serious Case Reviews (SCRs) and Serious Incident Learning Reviews (SILRs)

Derbyshire Safeguarding Children Board recognises the importance of learning and improving from our experiences in this area. A range of learning and themes from SCRs and SILRs have been identified from our most recent reviews, and from the preceding years.

In 2012 we have learnt that:

**Babies** are particularly at risk from abuse and neglect including:

- Shaking
- Co-sleeping
- Domestic abuse
- Methadone used as a soother
- Lack of ante-natal assessment

**Teenagers** - a quarter of all SCRs/SILRs have been about the serious injury or death of a teenager. Issues include:

- Suicide/self-harm
- Child sexual exploitation (CSE)
- Offending behaviour
- Missing from school, home or care
- Difficult to engage

**Parents**- the death or serious injury of children and young people often has contributory factors including:

- Substance misuse
- Mental health
- Domestic abuse
- Hostility/non-engagement
- Disguised compliance
- Violent men

It is vital that themes and learning is shared across all agencies to improve practice and increase safeguards to children and young people. The SCR subcommittee has identified a number of practice developments for professionals including:

- Information gathering, sharing and recording.
- Assessing the complete circumstances of the child and family, including their history.
- Critically analysing all information.
- Ensuring the needs of the child are paramount above those of the parents.
- Seeing a child at home and where they sleep.

In 2013/2014 in summary form we learnt that:

Common Themes:

- Domestic Abuse
- Substance Misuse
- Vulnerabilities of older teenage children
- Suicide/self-harm
- Shaken babies/youngsters
- Disguised compliance from parents/carers
- Agencies should be consulted before closing cases
- Risk to children should be assessed when in contact with perpetrators of domestic abuse
- Not to have overoptimistic or unrealistic expectations of improvements seen or made as it is not likely reflective of past or current risk

In 2016/17 in summary form we learnt that:

- The importance of authoritative practice;
- To be alert to disguised compliance;
- The importance of professional curiosity;
- To be alert to the possibility of abuse;
- That all professionals are to consider the need for an Early Help Assessment;
- Hear the voice of the child;
- Understand and record the child's lived experience.

Learning for Schools from SCR's and Serious Incident Learning Reviews (SIR's)

- Appropriate representation is needed at key meetings- Child Protection Case Conferences
- Effective multi-agency working
- Working more SMART (ly) with children and Young people
- Effective information sharing to inform assessments
- Staff to be curious, inquisitive and ask more questions
- Reflection and constructive challenge for staff when working with vulnerable children and young people
- Staff to observe safer working practices
- Staff to be reminded of a code of conduct and staff to operate by one

From SCR's (East Midlands & wider) in 2015 in summary form we need:

- A requirement for holistic & family based approach to ante-natal care and the importance of recording a full history of parents
- A need for professional curiosity into parental capacity & the mental health of parents
- To find out about the role of fathers/male partners/boyfriends in families
- To understand how mental health issues impact on the welfare & development of young children

- To act upon disrupted education, going missing, school refusal
- To know about the need to distinguish between sexual abuse, sexual exploitation , and or/underage sexual activity
- To identify neglect in disabled children
- A requirement to know about and use escalation & challenge processes provided by a safeguarding board where there are professional disagreements
- To know that when safeguarding teenagers understanding a tension between respecting their autonomy and keeping them safe
- To understand the impact of bereavement, loss and transition for children and especially young people
- Realise and respond to parents who dominate and manipulate TAF meetings (early help/CIN) by disputing points, creating diversions & feigned compliances with recommendations.

## Reporting a Safeguarding or Welfare Concern

Child protection or welfare concerns should be logged on the Safeguard Software System and reported to the DSL or a DL straight away. If for some reason you can't access the Safeguard Software system then the form below should be completed and passed to the DSL or a DL straight away.

### Safeguard Software

### Instructions for Staff

### Registering as a new user:

To begin, click on the Safeguard Software icon on your desktop.

Then click on the **New user registration** box at the bottom. You will then be asked to put in your school email address (this goes in the top blank box), name and a password. Once you have done this you should be sent a link to activate your account. Once your account is activated you will be able to log on each time by just typing in your school email address and your password.

### Logging a concern

Once you have logged onto the software after activating your account you will have three options down the left handside of the screen. They will be:

**Create**

**Documents**

**Training**

**Training Record**

To create a concern you need to click on **create**. You then type the surname of the student you are concerned about and click **search**. A list of students with that surname will come up and you can click on **actions** and then **create** for the relevant student. You then click on **raise concern now** and you will get a screen which comes up with a list of categories to select from. You need to **tick all relevant category boxes** and then outline the concern in the text box below. In the box below that you type the names of any staff involved. You then click on **create concern** and will be given the

option to either **add a body map** or **return to the dashboard**. If the concern is involving physical harm you can click on **add body map** and then use the tool to create an image of the injury you have seen. If it doesn't involve a physical injury you choose **return to dashboard**.

This will then come through to the pastoral team who will action it, and send you a notification back to say that's what we have done.

When you log in again you will just see the concerns you have created. The DSLs have a dashboard and can see all concerns raised about any students.

When you have searched for a student and selected to create an action you get three options –

**Raise a concern now**

**Communication**

**Early help**

Most staff will just use raise a concern now. The pastoral team will use the communications option to log any communications about a student, eg phone calls home, meetings as this will replace the contact logs on the t drive. The early help option will also be used by the pastoral team to add information about any students involved with Early Help or other external agencies.

If your concern is an urgent safeguarding concern you should ensure that you speak to the DSL or DL straight away so that the concern is picked up as soon as possible. If you are not told about the follow up action to your concern it is your responsibility to question the DSL or DL to ensure appropriate action has been taken.
