

## Year 11 Curriculum Area

<p>What concepts will we be covering this half term?</p>	<p>This half term students will be completing their Insects projects, using all of their work so far to produce imaginative and creative design ideas and then use these design ideas to produce a successful and creative final outcome that exposes their skills and strengths. Students will explore the work of different artists that connect with their ideas and the key concepts and techniques behind their work. Students will demonstrate their understanding of the artists' work through making accurate recreations of their work and through their written work. Students will work in a range of media and scales, demonstrating their strengths.</p>
<p>What resources can you use to support your learning?</p>	<p>Have a look at my 'Insects' board on Pinterest, lots and lots of ideas and inspiration for exciting and imaginative final pieces <a href="https://www.pinterest.co.uk/forster2695/insects/">https://www.pinterest.co.uk/forster2695/insects/</a></p>
<p>Tasks to complete so we can assess your understanding/ Key Performance Indicator tasks</p>	<p>Design ideas sheet. Your design ideas sheet should include images showing ideas for a potential final piece, high quality drawings of insects, experiments with materials you might like to use on your final piece and a large 'mini' final piece exploring composition. This should show what your final piece will look like. Here is a good example of a high quality, strong design sheet:</p> <div data-bbox="544 925 847 1350" data-label="Image"> </div> <div data-bbox="887 1021 1369 1223" data-label="Text"> <p>This design sheet includes image to inspire the designs, high quality drawings plus experiments with different materials that could be included on the final outcome.</p> </div> <p>Final outcome. The final outcome for the Insects project should be heavily informed by all the work produced so far and, in particular, the Insects design sheet. Here are some good examples of strong final outcomes:</p> <div data-bbox="448 1529 1406 1865" data-label="Image"> </div>
<p>What can you do if you need help/ support?</p>	<p>Contact your class teacher via email or SMH for further help or advice, alternatively email <a href="mailto:j.forster@netherthorpe.derbyshire.sch.uk">j.forster@netherthorpe.derbyshire.sch.uk</a></p>
