

# Captain Sir Thomas Moore

30<sup>th</sup> April 1920 - 2<sup>nd</sup> February 2021

A collection of poems in his  
memory from 7A1 and 7B2

Captain Tom Moore,  
He was braver than a Gryffindor,  
He raised money for the COVID fight,  
To give everyone the right,  
To have a mask free life,  
Although in the end,  
It was COVID who decided to send,  
This hero to his end.

**Jess Stothard 7A1**

We will always honour you

You were selfless, heroic and braver than a Gryffindor,  
You were inspirational, true right to the core.  
Though COVID and pneumonia was too much for you  
So thank you Tom we will always honour you.

You fought hard and long,  
And despite your age you were amongst the strong.  
You were loved by your family, country and your soldiers too.  
So thank you Tom we will always honour you.

You battled and fought right to the end,  
And to everyone you were the dearest of a friend.  
You raised 30 million for our COVID fighting crew,  
So thank you Tom we will always honour you.

**Jack Bainbridge (7A1)**

**C** - courage, not alot of people could survive a war and live to 100, and raise so much!

**a** - amazing! 100 laps, that must have been tiring!

**P** - perseverance, surviving world war 2 and persevering 100 laps around your 25m garden!

**t** - totally fantastic! You are so fantastic and wont be for

**a** - ASTOUNDING - Everyone is so proud of you and your achievements.

**i** - impressive, saving Biran twice!

**n** - never gives up, so resilient, the fact that your garden 25 metres and you walked around it 100 times. Your garden is as big as a swimming pool.

**t** - thank you, you are so kind

**O** - only cares about others, I bet you had never met many of the people who you saved!

**m** - many thanks, and you will be missed.

Captain Tom who served  
In the Second World War  
As a British Army Officer  
Who fought in India.

Captain Tom who was  
Resilient to fight for the  
UK in WW2  
He helped out country to win.

Years past by  
And Covid-19 came.

Captain Tom on April 16<sup>th</sup> 2020  
At the age of 99,  
Walked lengths of his garden to raise  
Money for the NHS.

£30 million was raised for the NHS  
He then sung, "You'll Never Walk Alone"  
With more proceeds going to charity.

Nearly a year passed by  
And on 2<sup>nd</sup> February 2021  
Captain Tom passed away,  
Due to Covid-19 and pneumonia.

We will never forget Captain Thomas Moore.  
1920-1921 - 100 years old.

Sir captain Tom Moore  
A hero to all,  
Your death made us bawl,  
You walked long  
Proving you were strong.

You stole the nations heart

If lockdown 2020

Of how you didn't get tired  
On your walks.

fundraisers grew and grew we all thank you.

Helping fight for our Nation,  
To being a massive inspiration.  
Raising money for our National Health Service,  
Giving up to him was uncertain.

From constantly being shot at,  
To being on the news having a friendly chat.  
Getting a number one single in the music charts,  
He stole a place in our hearts.

2020 was all a blur,  
Until Captain Tom became Sir.  
You made us all believe,  
So we say thank you for all you have achieved.

Brave and courageous in all ways  
100 laps around his garden  
33 million straight to the NHS.

Captain Tom, Captain Tom  
Saviour of Hundreds  
Inspired thousands  
Truly the kindest of hearts

Captain Tom, Captain Tom  
More of him and the earth would be better  
Strength and determination he spreads  
The heart of the UK

Captain Tom, Captain Tom.

Captain Sir Tom Moore was a British Army Officer  
He fought in the war and battled with pneumonia  
On April the 6<sup>th</sup> he walked around his garden  
And in total he raised over £30 million

The BBC recognised him and gave him an award  
Of becoming the personality of the year for sport  
He got this because of his courage and bravery  
He got this because he was just so amazing

He even sang a song with Michael Ball  
His Perseverance was the greatest of all  
When he reached 100 he was knighted by the Queen  
He was the greatest inspiration the world had ever seen

Even America were inspired by what he had done  
In all those years of his life he sure had fun  
The whole country clapped for him and honoured him because  
He was the greatest hero that there ever was

Near the end of his life he travelled to Barbados  
Where he spent his last weeks with his family and friends  
Captain Sir Tom Moore sure had fun  
But sadly in the end covid-19 won

When he travelled back to Britain he said to the nation  
"Tomorrow will be a good day"  
But then a few weeks later on the 2<sup>nd</sup> of February  
He sadly passed away

**Ellivia Hague (7B2)**

Captain Tom Moore  
You fought in the war  
Brining joy to others  
Many times before.

Awards were given  
Songs were sung  
Money was raised  
Everything going strong

Everyone is thankful  
NHS are grateful  
Coronavirus is not away  
But tomorrow will be a good day.

**Skye Kehoe-Wardle (7B2)**

In the mist of our pandemic world, a beacon of hope, Captain Tom Moore  
His efforts will not be missed, as many others looked up to him as our world  
saw,  
His fundraising made a magnificent start to the parting  
Of the clouds that we call 'Covid'  
His efforts will not be in vain.

Many watched as he stepped up to the queen,  
his knighting ceremony was all that was seen  
The televisions bombarded with requests to watch the same show,  
now that is all that we know  
Respected by everyone, he was the only one  
His efforts will not be in vain.

As the year grew to an end, and 2021 began,  
Tom Moore tried harder and harder to raise as much money he can  
However, all we can do is sit and stand  
As the days grew longer,  
everyone's dreams grew stronger,  
thanks to Captain Tom  
His efforts will not be in vain.

As February began however, people saw what they were all dreading  
The news was all on every heading.  
Newspapers, shows, everyone knew what happened to Captain Tom, his time was  
due  
COVID-19 and pneumonia, together like buddies,  
finished off the man we call Captain Tom Moore  
His efforts will not be in vain.

**Evie Morris (7B2)**

As the golden coin goes down,  
A new generation starts.  
The sunshine is bright and the stars shine,  
Ambition grows in the community combined.

100 laps, here we go!  
Until the last breath, here we go.  
Never surrendered & never gave up,  
The goal is finally in my hands.

A goal that turned into a reality,  
A goal with indulgence.  
A £30 million pounds raised in the sky.  
A hero we admire.

He was the captain from our ship,  
And the path to our future.  
We are in this together.  
And long life our legend

"Tomorrow will be a good day."

**Gabriella Puccinelli-Rosas (7B2)**

Captain Sir Tom Moore  
Really was the greatest,  
He went on a walk round his garden  
And really put himself to the test.

He went the extra mile  
To raise money for charity,  
He surpassed £30 million pounds  
With donations to help everybody.

He was a true war hero  
Head and shoulders above the rest,  
A truly inspirational man  
He really was one of the best.

He sang a chart-topping song  
With opera singer Michael Ball,  
When he was knighted by the Queen  
He stood proud and tall.

He was a bright shining beacon  
For all of us to see,  
He gave us someone to admire  
Hope, for you and me.

He was a true inspirational hero  
The best we saw by far,  
We will never, ever forget him  
He'll always be close to our hearts.

**Poppy Stevenson (7B2)**

Thank you for your service  
Thank you for your time  
Thank you for your kind-heart  
The loyalty and peace  
You gave to our nation.

Sorry for your loss,  
As you watch your friend's life end.  
But thank you for the commitment to making the world  
A better place.

You're an idol to each  
And everyone of us.  
You'll always be in our hearts  
For now and ever more.

So thank you for the resilience  
And generosity you gave.  
You truly are a Captain  
And a Captain you'll always be  
To everyone a Captain and a friend.

**Emily Swift (7B2)**

Captain Tom, how great you are,  
Captain Tom, we're feeling such grief,  
Captain Tom, we wish upon a star,  
Captain Tom, come back with relief.

Captain Tom, you didn't deserve death,  
Captain Tom, you were a hero to most,  
Captain Tom, take one more breath,  
Captain Tom, we wish you weren't diagnosed.

Captain Tom, we appreciate your deeds,  
Captain Tom, your amazing accomplishment,  
Captain Tom, when the NHS needs,  
Captain Tom, around your garden you went.

### **Kiya Wilkinson (7B2)**

Captain Tom Moore, oh how we adore,  
You set a task of walking 2.5k  
To raise £1,000 for the NHS,  
Was his only plan.

Considered by many a veteran of war  
Captain Tom Moore, oh how we adore.  
You fought hard and long,  
You were inspiration, true right to the core.

And despite your age, you were amongst the strong  
Captain Tom Moore, oh how we adore.  
Though Covid and pneumonia was too much for you,  
You were loved by your family and your friends.

### **Kye Collins (7B2)**

Your military prowess has now vanished in a swat,  
After the troubles you worked as hard as a sales man,  
For the roof panelling.  
As you were the best man there without any challenging.

It was soon that you met your lovely wife,  
Pamela was her name, the love of your life.  
You became married to her after the horrible times,  
But you should make new memories now as the church bells chime.

You visited her every day for five years.  
As she fell ill you cried solemn tears.  
You children Hannah and Lucy now had no mother to call theirs.  
You raise their heads as you were a positive extraordinaire.

You looked to the future ahead and soon you were classed as a hero,  
Always number one, never a zero.

Once a boy from Keighly Yorkshire, now you're everywhere.  
A dog called Billy and Uncle Williams your friend.  
Thomas you were always active and always out of bed.  
Once you fell over on a train line  
But got back up for the 4 mile bike ride ahead.

Riding your motorbike through broken trees in the jungle.  
Biking to send messages to the government without a fumble.  
World War 2 seized you in India.  
You walked through the barren area like an unseen ninja.

As your friends and enemies fell down.  
You checked some of the positive side without a frown.  
You came back with a shocked face.  
What you had seen couldn't be translated by trace.

You raised £30 million for charity,  
With the nation on your back whom you single-handedly carried,  
A walking frame and a new hip too.  
You walked 100 laps through and through,

"Tomorrow will be a good day" that's what you said.  
When you came into our lives we raised our worried heads.

Through the Covid-19 pandemic and "through the storm",  
We now found a new bright lamp from our once depressed form.

Tom sang a song from Gerry Marsden.  
You sang it peacefully without any fathom.  
You are now called the nation's own.  
So Remember Tom, "You'll never walk alone."
